Higher Level Tournament Qualifying Criteria

In order for a player to advance to any level of the National Team Championships (including the Local Team Championship), they must meet certain criteria. HLT criteria is listed below.

- Must have a skill level based on at least 10 actual League match scores in the format in which they are advancing. These scores include normal weekly play, playoffs and Tri-Cup scores.
- Must advance with the highest session ending handicap he or she had from the time their team became qualified to their Spring Session ending handicap. (Highest session ending must also be based on 10 actual League match scores in the format in which the player is advancing.)
- In order to be considered a full-fledged member of a team and eligible to go to the National Championship with that team, a player must have played at least four times with the team in the Spring Session.
- Must maintain current APA membership status.
- Must be on a team that has at least 4 original members.
- Must have either joined an already qualified team or been a member of a team that won a division title to gain entry into HLT.
